

**Kongu Engineering College, Perundurai, Erode – 638 060.**

**Department of Computer Science and Engineering**

**FOLLOWUP ACTIONS FOR THE FAILED STUDENTS IN TESTS**

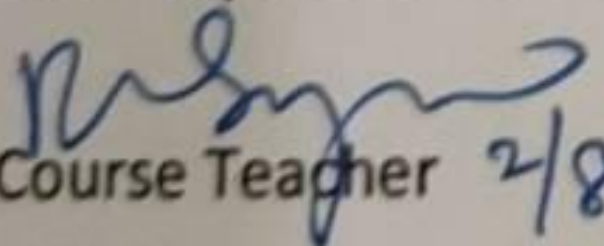

Faculty Name : Dr.R.C.Suganthe  
 Class, Semester and Academic Year : III Year V Semester B.E CSE C & 2017-18  
 Course code and Name : 14CST52 – Theory of Computation  
 Test No. : Module Test - I

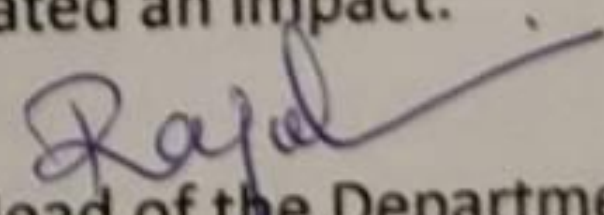

S.No.	Reg. No.	Student Name	Remedial measures (Assignment, Special session, etc.,)
1.	14CSR133	Pravin Kumar S	Special session conducted and assignment given
2.	15CSL254	Prabhu P	Special session conducted and assignment given
3.	15CSL255	Pranesh A	Special session conducted and assignment given
4.	15CSL256	Sanjeev R	Special session conducted and assignment given
5.	15CSR134	Pradeep M	Special session conducted and assignment given
6.	15CSR137	Praneetha P	Special session conducted and assignment given
7.	15CSR140	Praveen R	Special session conducted and assignment given
8.	15CSR142	Preethi J	Special session conducted and assignment given
9.	15CSR153	Priyadhrisini G	Special session conducted and assignment given
10.	15CSR158	Raajesh S R	Special session conducted and assignment given
11.	15CSR162	Rajesh M	Special session conducted and assignment given
12.	15CSR172	Roobini S	Special session conducted and assignment given
13.	15CSR175	Sachin Kumar P	Special session conducted and assignment given
14.	15CSR180	Sanjeev Kumar U S	Special session conducted and assignment given

# Course teachers can decide remedial measure for individual students on weak areas based on the performance in the answer sheet. These activities can be conducted during evening/ Saturdays.

(Verification of Effectiveness of remedial measure)

After the remedial measure is over, these students can be interacted on weak areas during 7<sup>th</sup> hour/ Saturdays and we can verify whether the remedial measure taken has created an impact.

  
 Course Teacher 2/8/17

  
 Head of the Department

# Kongu Engineering College, Perundurai, Erode – 638 060.
